Have Fun - Reduce Your Risk

RIDE AT YOUR OWN RISK: Action Sports can be hazardous. Injuries can happen.

RIDE SAFELY WITHIN YOUR ABILITY: Many of the routes/lines and trails require advanced mountain bike and freestyle skills, including jumping. Maintain control at all times.

LOOK BEFORE YOU LEAP: This area contains both natural and man-made terrain which changes constantly due to weather, use, and maintenance. Do not ride or jump blindly.

SHOW EACH OTHER RESPECT AND SHARE THE TRAIL: Respect the land, wildlife, and the other visitors. Watch out for each other and stay clear of landing areas. Please do not ride the trails when muddy.

BE SMART ABOUT THE CONDITIONS: Pay attention to the weather, dress appropriately, and carry enough water.

LOWER YOUR SADDLE FOR MORE FUN: It is strongly recommended you lower your saddle before descents for improved bike handling.

SAFETY EQUIPMENT: This includes appropriate clothing, helmet, leg and elbow pads that fit properly. Serious injury or death can occur even with proper precautions.

EVERYONE SHOULD WEAR A HELMET
